T R A C E

Our professional staff knows that this is an important time and we are here to assist you in every step of planning. We know that some wish to be involved in every aspect of the process and delivery of the Celebration, while others want a guiding hand or even turn-key options that include audio and visual services; catering; bar and beverage services and more.

Honoring your loved one is customized for you by our knowledgeable, compassionate staff and prices start at \$2100. The day can be tailored to you and your loved one's wishes. Our one-of-a-kind spaces hold up to 400 guests, yet feel intimate with as few as 50. We would love the opportunity to help honor your loved one with a beautiful Celebration.

Please email corbin@jenningstrace.com for more information or call/text 713.703.7123
